

Dear Sir or Madam:

You have been referred to Unifour Pain Treatment Center by one of your physicians for evaluation of a painful condition. We welcome you to our practice. In order to help you in a thorough manner, please take time to complete the enclosed questionnaire and **bring with you to your first appointment.** The information is comprehensive and will allow us to get to know you better from the first visit. Please note that your arrival time is prior to your appointment time as paperwork will need to be completed upon arrival.

Thank you very much.
